PRODUCT DETAILS:

Tamara's first home to air on Bargain Mansions was Juniper. She and her father worked on this home together, and at the end of the build, her father purchased the home. This home's French chateau design and masculine feel inspired the Juniper collection of linear pendants, wall mounts, vanity lights, and chandeliers. Cylindrical discs divide the stem into equal segments that lead to overlapping arms. Each arm supports two candelabra bases housed by slender, clear glass shades. The layered design of the Juniper chandelier offers a unique experience from every angle. Choose from aged brass or matte black in 6 or 8 light arrangements for a perfect fit into your living room, dining room, or bedroom.
